

EV WEEK 2016

Celebrating Five Years!

San Francisco

October 8th & 9th

Saturday and Sunday, 11:00 AM – 5:00 PM

During FleetWeek 2016 at Pier 27 on the Embarcadero

Highlights Include:

FREE 'ride and drives' in the latest electric vehicles, including plug-in, battery, and fuel cell EVs #bestrideEVER!

EV Showcase of informational booths and demonstration areas, with:

- Static displays of the latest electric cars, motorcycles, scooters, e-bikes, and skateboards.
- Grid and solar charging solutions will be demonstrated, along with utility rate and rebate program information.
- Community partners such as SF Environment, Center for Sustainable Energy, CleanPowerSF, and others will be on hand to talk about clean transportation alternatives and renewable energy.
- And more surprises to come....

Enjoy FREE tacos with your test-drive and get all your questions answered about the next generation of exciting zero emissions vehicles. For more information go to www.chargeacrosstown.org.

Charge Across Town is proud to partner with the California Plug-In Electric Vehicle Collaborative (PEVC) and the Best.Ride.EVer! campaign. Getting more plug-in and electric cars on the road is key to successful mainstream introduction of advanced clean vehicles in support of California's clean air, climate change, energy and economic goals.
